## SKILLS FOR GROWTH SME

**It is so wonderful to feel that not one person, but a whole team of people have your back. If you have the opportunity to work with Skills for Growth - SME Support then do; you won't regret it.**

**- Sophie McCumesky, Director  
Practically Family**

## Before

After facing obstacles thrown at them by the pandemic time and again, Sophie and the team were exhausted. They needed support to grow after reopening, and develop the crucial skills to move forward in the new world.

## SKILLS FOR GROWTH SME

**We have faced every challenge the pandemic threw at us, but that was just the beginning. The team at Skills for Growth - SME Support have given me the motivation and inspiration to carry on.**

**- Sophie McCumesky, Director  
Practically Family**

## After

So far we have helped them:

- Identify and fill skills gaps
- Grow managerial team
- Expand team via Apprenticeships
- Develop and implement a health and wellbeing plan
